**RESPONSE TO OFFICE ACTION**

Dear Sir:

In response to the Office Action dated 09/27/2004, Applicant submits the  
5 following a substitute specification /arguments.

**AMENDMENTS**

Please accept the following five(5) pages as a substitute specification under  
§ 1.125. No new matter is introduced by the substitute specification. As per §  
1.125, no claims are included in the substitute specification. However, a blank  
10 sheet with the section heading "WHAT IS CLAIMED IS:" is included to indicate  
the location of the claims, which are amended subsequently in this AMENDMENTS  
section. Additionally, the section "ABSTRACT" is included on a separate sheet  
after the "WHAT IS CLAIMED IS: " section, and is part of this substitute  
specification. A version showing the changes made to the version description is  
15 included after the REMARKS section of the response.
